

Dear Friends of the Richland Area Band Programs:

The Richland High School Marching Band program has some of the brightest and hardest working students in the DFW area. Richland's band program has a proud and successful history with a tradition of being state ranked, competing and ranking in national competitions, as well being crowned Texas State Marching Band Champion. To support these fine young students, we have formed the Richland Area Band Boosters (RABB), a 501(3)(c) non-profit organization. RABB consists of volunteers who donate their time and talents and work year-round on different fundraising campaigns to proudly assist the band programs of Richland High School, North Ridge Middle School, and North Richland Middle School. One of those campaigns is the Richland High School Band Patriotic Flag Community Service program where band students and RABB members will place hundreds of US flags at residences/businesses around the city on multiple national holidays throughout the year. Other fundraisers include the Summer Band Bash Silent Auction, co-hosting the BISD Marching Performance Contest and more. We also provide great visibility for companies selling advertising space on our custom designed 18-wheeler truck we affectionately call "Big Blue". Big Blue is prominently displayed during our sporting events but also travels to local events, statewide events, and national competitions.

Your company would benefit tremendously from the exposure and support from over 500 sets of parents and extended family member of these fine band students as well as supporting their community pride. To join us in this rewarding endeavor, please contact David Powell at Rdp242@gmail.com or call 817-239-2038. He will be happy to supply you with any information you need about sponsorship levels, different ways of support, etc.

RABB is a 501(3)c non-profit organization
